1. This is an application for leave to file appeal against an order of acquittal for offences punishable under sections 323, 504, 506 r/w 34 of IPC. On perusal of the judgment, it is clear that there was no medical evidence on record and no Doctor was examined. It is found that there was contradiction between the version given by the complainant and the mother of the complainant PW-2 regarding the manner in which the incident took place and also on the question as to whether any

medical examination is conducted. The view taken is a possible view. Hence, leave is refused, and consequently appeal to stand rejected.
